

**NOTICE TO DEFENDANT AND ATTORNEYS
CONCERNING THE PRESENTENCE INVESTIGATION REPORT**

<u>William Rogers</u>	<u>Northern Mississippi</u>	<u>3:08CR00089-001</u>
Defendant's Name	U. S. District Court	Docket Number

The following information is provided concerning the presentence investigation report prepared by the United States Probation Office in this district.

If a defendant is incarcerated, the presentence report is used by the Federal Bureau of Prisons to determine the institution in which the sentence is to be served, the defendant's classification within the facility, his ability to obtain furloughs, and his eligibility for programs within the institution.

The presentence report also plays an important role in the parole process. The United States Parole Commission uses it as a primary source of information for calculating the inmate's parole release date for offenses committed prior to the implementation of the Sentencing Reform Act (November 1, 1987). For offenses committed after the implementation of the Sentencing Reform Act, there is no parole.
